

VILLA PARK HIGH SCHOOL  
PARENT FACULTY STUDENT ORGANIZATION (P.F.S.O.)

The PFSO's mission is to support the teachers and staff at our school. The following are a few examples of PFSO activities that your contribution will help support: publishing the monthly Spartan Spirit Newsletter to keep parents informed of events at the school, providing college scholarships and other student support, coordinating yearly student awards and faculty appreciation awards, planning Senior Grad Night and Baccalaureate Events, and planting and maintaining many of the plant and flower beds around the school.

Your \$10.00 donation includes your PFSO membership and a VPHS window decal. In addition to supporting the PFSO, we hope you will participate in our **non-event** fundraiser by making a donation of \$25.00 or more. All donations are 100% tax deductible and, most importantly, help our students. *Thank you for your support!*
